

## Pleasant Hill Preschool's Mission:

Pleasant Hill Preschool's mission is to communicate God's love as it is revealed through Jesus Christ, to children by providing an environment that encourages each child to grow spiritually, socially, cognitively, physically and emotionally. We are a Christian program, but we do acknowledge and respect the different religions and cultures represented in the program.

In the Gospel, Jesus declares, "Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs." Pleasant Hill Presbyterian Church understands that a significant part of its ministry is to enable parents to provide for the spiritual nurture of their children. Through our preschool program each child is encouraged to worship God, to practice prayer, to show respect in the sanctuary, and to see the need to treat all others as equals in God's sight.
